

Mrs. Bithi Chakraborty

State Aided College Teacher

M.A (Education)

Overview:

My name is Bithi Chakraborty. If I talk about my nature then I would say that I am an honest and straight forward woman who would not compromise with any dishonesty in life or in work. Also, I am a hardworking individual who would like to do things with perfection. I am very determined and eager to learn with a positive attitude.

Date of appointment to the present job: 18th March 2019

Academic background:

- I did my B.A (Education) from The University of Burdwan in 2013 and got 58.88%.
- I have completed my masters in Education from Sidho-Kanho-Birsha University in 2015 and got 71.60%.

My area of specialization is Teacher Education.

My master's dissertation was "Self-Concept in relation to Academic achievement and Gender of Secondary School Students in Burdwan District", in the Department of Education, S.K.B University, Purulia, W.B.
