### » **Overview:**

Born in 1995 in a middle-class family deeply rooted in village environment in Bankura District. After Completing School education get chance to enjoy the flavour of polis-scape. Less-talkative in nature and good listener help me to study human psycho-social characters of any human being. Interest in Astronomy or astrophysical objects force me to choose Geography as a subject in very early stage of academic career. Later interest slightly shifts to study dynamicity of the environment-both physical and Human. Also, as a history-lover, want to study and explore different folk Culture and related materials. Still learning from different sources and everyday's aspects of life. My hobbies are Watching movies, Listening Jibonmukhi Gaan, Reading Novel (History Based) and gardening.
