» **Overview:**

I am Indrajit Mondal. I am a Bibliophile. Being a student of geography, I have a special penchant for exploring and preserving the environment and also for spending time in social activities. Though I am a teacher, I never hold myself back from learning. My first and foremost importance is the wellbeing of my students. I love being among my students to enrich them as well as me. In addition to that sport is very close to my heart.
