» **Overview:**

I am Dr. Wasim Alam from Shyamnagar of North 24 Parganas in West Bengal. I believe that it is my good fortune that I am associated with the noble profession of teaching. God has given me this honourable position from where I can inspire and change the lives of young students. I enjoy teaching Hindi literature to the students from whom I also learn every day. Apart from academics, I am interested in sports. During my adolescence, I was an active athlete. Coming from an athletic background, I have carried the values inculcated in me through my association with sports into my academic life too. Those values make me believe in the importance of honesty, hard work, team work, strength of mind to face any crisis, etc.
