Date: 06.04.2017
VENUE: Adopted Village

Both the units of NSS of TDB College organized an Awareness Program against the prevalent superstitions in our society. A group of 45 volunteers went to NSS adopted village, Manasha Tala, East College Para, Raniganj on 06.04.2017 and interacted with the dwellers and made them aware of the ill effects of the various superstitious practices. The ignorant mass was given scientific demonstrations to foster the rational thinking. Their belief in ghosts, witches and spirits can lead to devastations and damage to the society. The people were sensitized about this issue. They were encouraged for education as it is the only path towards progress of the nation. The program was held from 10:00 AM to 4:00 PM under the supervision of Dr. Sudipta Saha, Program Officer of Unit I and acting Program officer Dr. Asish Kumar Dey Unit –II.
