

**NSS ACTIVITY REPORT**  
**NAME OF THE PROGRAM: Swachh Bharat Abhiyan**  
**Date: 09.02.2017**  
**VENUE: Raniganj Block Hospital**

Both the units of NSS of TDB College organized a cleanliness program on 09.02.2017, under the Central Government scheme, Swachh Bharat Mission. A group of 55 volunteers went to Raniganj Block Hospital and conducted various activities like brooming, sweeping, and moping of the floors, staircases and corridors of the hospitals. The liquid used for the purpose was changed after cleaning an area of 240 sq. ft. at regular intervals to maintain the hygiene. The volunteers cleaned the drains, rooftop and dustbins. The whole area was disinfected by scattering bleaching powder. The wash basins of the hospital were cleaned. The team also collected disposable and non-disposable waste products- hospital waste, plastic bags and others, separately from the hospital and the area adjacent to the hospital and disposed them in the appropriate places. The program was held from 10:00 AM to 4:00 PM under the supervision of Dr. Sudipta Saha and Mrs. Chandana Bhattacharjee Khan, Program Officers of Unit I and II. The volunteers were given food packets for refreshment. The hospital authorities and the local administration were very pleased and encouraged such drives taken on our part. The volunteers also sensitized the local people and the hospital workers about maintaining cleanliness and hygiene in our locality. This program ushered a sense of cleanliness and social responsibility among the volunteers. The motto of the program was- "Cleanliness is next to the Godliness".
